## HOW TO SELECT YOUR SIZE

### Unisex shirt / Male Shirt / Blouse

1. Measure the shoulder-length by placing the measuring tape at the tip of your child's left shoulder to his/her right shoulder with their back facing you.
2. Take note of the length measured. E.g. if the shoulder length is 17 inches, you may purchase either size 17 or size 18. It is recommended to purchase one size bigger.

### Skirt / Skorts / Culottes / Shorts / Bermudas / Long Pants / PE Shorts ^

1. Measure the waist circumference by placing the measuring tape around your child's navel area.
2. Take note of the measurement taken. If your child's waist is 25.5 inches and the sizes are in even numbers i.e. size 24 & 26, please purchase size 26. It is recommended to purchase the next nearest size/one size up.

^ Due to the elasticity of the elastic band on the PE shorts, please plus 8 to your uniform shorts/long pants/skirt size. For example, if you are wearing size 26 for your uniform shorts, it is recommended that you get size 34 for your PE shorts. Similarly, if you are wearing size 34 for your uniform skirt, the recommended size for your PE shorts would be size 42.

### PE T-Shirt / Female Pinafore

1. Measure the chest circumference by placing the measuring tape around your child's upper chest area.
2. Take note of the measurement. E.g. if the chest circumference is 36 inches, you may purchase either size 36 or size 38. It is recommended to purchase one size bigger.

### Shoes

1. Place your foot on a piece of paper and mark the two furthest points from your heel to your longest toe, then take the measurement from point to point.
2. Take note of the measurement taken. E.g. If your child's foot length is 20cm, please purchase either size 30 or 31 with reference to our size guide. It is recommended to purchase one size bigger.
