

## **NORTH STAR SCHOLARS PROGRAMME**

The North Star Scholars Programme is an inaugural programme designed to stretch the potential of a select group of students further, starting from the 2016 Secondary One cohort. Through this programme, CVSS seeks to enhance the cognitive and leadership development of these students. This is in line with our school motto, "Realising the Star Within".

These students will undergo a customised programme valued at \$1,000. This amount will be fully sponsored by the school over a 4-year period.

The school will review the performance of all scholars annually, based on the students' academic performance, Co-Curricular Activity (CCA) achievement and conduct. Secondary One students who satisfy the following criteria are invited to apply for the programme:

- Well-rounded individuals who display good character, and are active in their CCAs
- Scored a PSLE aggregate of 230 and above

Closing date for application: 7 January, 2016 (Thursday)

Students who are shortlisted for the programme will undergo an interview session, as part of the selection process.

Students will be notified by the 1<sup>st</sup> week of February on the outcome of their applications.
